

AS SOON AS / ONCE / THE MOMENT / NO SOONER ...THAN / HARDLY .. WHEN

- a) As soon as governments implement stricter regulations on carbon emissions, industries will have to adopt greener technologies.
- b) Once governments implement stricter regulations on carbon emissions, industries will have to adopt greener technologies.
- c) The moment governments implement stricter regulations on carbon emissions, industries will have to adopt greener technologies.
- d) No sooner do governments implement stricter regulations on carbon emissions, than industries will have to adopt greener technologies.
- e) Hardly do governments implement stricter regulations on carbon emissions, when industries will have to adopt greener technologies.

Once the Roman Empire expanded its borders beyond its capacity to control, internal conflicts, economic struggles, and external invasions gradually weakened its authority.

The moment the obesity epidemic worsened due to sedentary lifestyles and unhealthy diets in 1990s, public health organizations launched nationwide campaigns promoting physical activity.

NO SOONER / THAN & HARDLY / WHEN

No sooner had scientists discovered a potential link between gut microbiota and mental health than drug companies began funding extensive research to develop probiotic-based treatments for neurological disorders.

Hardly does artificial intelligence surpass human intelligence in every cognitive domain, when society will face unprecedented ethical dilemmas regarding machine autonomy and decision-making authority.
